July: 2017

July Toy Party

President Message:

We are going to mix things up a bit for our July meeting. Instead of a speaker we are going to have a toy making party! We have these every 12-18 months, and they are very popular. We can always use new toys for our birds, and can always use some new ideas to make toys of our own. So come on July 8th, learn valuable new skills, and make your birds happy!

We encourage all of you to bring materials for toy-making, and we will supplement what you bring with some of our own materials. We ask that you bring tools to share, household items to share (like paper cups, coffee filters, decks of cards, straws, cardboard rolls, etc.) and broken toys to refurbish.

Don't forget that our most popular meeting of the year, our Annual Picnic, will be taking place (instead of our regular meeting) on August 12th. It will start at 1 pm through 5 pm at the home of Ann Greig at 1730 Nevada Street, Salt Lake City. Children, family, friends, and of course birds are all welcome. We will be grilling outside, so please bring a salad or dessert to share, and WAES will be supplying the meats, buns and drinks (vegan options provided). There will be door prizes galore! Come meet the birds of our club members, and find out why this is our most popular event of the year!

Chase Kimball
2017 WAES President
