Wasatch Avian Education Society

President's Message:

HAPPY NEW YEAR

I hope you all enjoyed your holidays this year and that all our feathered friends enjoyed it too.

As we begin another year, I'd like to see all of us join together and make our little group grow. One way that will help is to hear from each of you how we on the board can make the meetings both fun and helpful. Please be ready to put some suggestions in our new "Suggestion Chicken" that you'll meet at our Jan 13th meeting. We want to provide a monthly experience that will be well worth your time coming to.

We will be featuring a "Bird of the Month" at each meeting. This month Bruce is bringing his Hawk Head to tell us about this species. I've met him and can assure you he is a sweetie and you'll fall in love with him. If you have a unique bird and would like to share your little buddy with us, let us know.

Our meeting will be an open forum this month. Bring your questions, concerns, problems or whatever is on your mind that you'd like to get some advice on from those of us who (combined) will most likely have an answer.

Invite a friend who hasn't met our group - you'll be rewarded with free raffle tickets as a thank you. Your friend will have a good time too.

Please know that anytime you would like to talk to me - just call.

Geri

At our last meeting, we elected club officers. **NOTE:** there will be a board meeting this month at 6:30, prior to the start of the regular meeting.
