volunteer

Flock is all about.

This month, long time WAES member, Bruce Bird, will entertain and inform us with a presentation about one or two species of his large collection of parrots. Come prepared to learn something new!! Thank you, Bruce!

Following Bruce's presentation, we would like to discuss as a group possible topics for meetings for the rest of the year. If you have a topic you'd like to discuss or learn more about, please bring your idea to this meeting, or feel free to submit it to anyone on the board as ideas come to you. Our goal is to provide an educational forum about parrots, parrot care, behaviors, species, etc. However, any topic you think would be of general interest would be a welcome suggestion.

There will be a Board meeting this month at 6:30 pm, before the regular meeting. Board members please attend. Board meetings are also open to all members.
