

## WAES Annual Summer BBQ and Party

Finally—a chance for WAES members and friends to interact in person once again—share stories, visit, laugh and eat together. It has been a while!!

**Sunday, August 9th**

**11:00 am—1:30 pm**

**Rice Pavillion at the northeast corner of Liberty Park in Salt Lake City**

WAES will provide hamburgers, hotdogs, bratwurst, buns and vegan options as well as drinks. Please bring a side dish or dessert to share. Companion birds are welcome with supervision.

There are several shaded tables with good distancing possible. Bring a mask or we can provide one. Tracy Aviary is open for anyone wanting to visit more birds after the picnic.

We look forward to seeing everyone!
