Wasatch Avian Education Society

April 2020

Dear All,

To the surprise of no one, they have closed the County Complex to all social meetings for an indeterminate time. So we have no meeting place for the time being and we will not be having meetings for a month or so. I'm really sorry about this, because I look forward to our meetings and learning about birds and talking about birds and seeing my friends every month. But it's the reality of the situation.

But we WILL be back, just be patient for a while. We have a lot of good speakers lined up and I will be very glad when our meetings start up again. So please hang tight, this too shall pass. And be safe at home with your birds!
