President's Message

Dear All:

The County pulled the plug on our meeting again, so we will not be seeing one another in July. Fortunately **our most popular meeting of the year, the annual picnic**, is coming in August, and it will be held outside so it is going forward with sensible precautions. We shall meet Sunday, August 9th, 11 am - 1:30 pm at Rice Pavilion in Liberty Park. It is in the northeast corner, by 900 South and 700 East. Best to enter from 1300 South at 600 East to avoid driving around the whole park. Birds are welcome with supervision. People should bring their masks if they feel the need, and we will have some on hand for those who forget. In all likelihood the Governor's order that masks be worn at all times in public (except when eating) will still be in place, so plan accordingly. We will have burgers, bratwurst, hot dogs and such to eat, and maybe Kay Woolsey will be our grillmaster again if we are lucky. We will provide meat and the fixings, if people could bring a side dish or salad that would be appreciated. People can go to Tracy Aviary afterwards if they want a full day experience. Aviary is open 9 am - 5 pm.

And let's think happy thoughts about a regular September meeting. I sure want to have one.
