President's Message

Dear All;

Well, the lockdown of county facilities continues and our meeting is postponed again. It is hard to guess how much longer this will continue. But we are not taking this sitting down, we have begun plans to have a Christmas Party one way or another, so you can set your sights on that. And we continue to do well in moving parrots in and out of rescue, and that is a bright spot for us. And a very strong reason why we need to continue.

So see you in December, if not before.

Chase Kimball, WAES President

Adoptions

We had three big, happy adoptions this month!

Big Bird, DYHA, now Lucy, was adopted by Patty Stewart.

Zeke, BFA was adopted by Darlene and Dennis Nethery, who have fostered him for around 3 years.

Julian, Bare-eyed Cockatoo, now Julianne, was adopted by Connor Nesbit and Tyler Anderson.

Once again, *congratulations* to all and many thank to the foster families of these birds.
