December:2019

Dear All,

Well, another year has ended, we have a new 2020 board to present to you for your votes at our next meeting, and most important, we have our final Christmas party to attend on December 14th at the County Complex. This is one of our most popular meetings of the year, so I am hoping to see all of you there. We will have many door prizes, and lots of fun things to auction off for Christmas presents or whatever else you would like them for. This is a potluck dinner, so please everyone bring something to share.

We have a lot to be thankful for this year. We have been around for 25 years, since February 1994, we are financially solvent, and we have done a great job with our rescue program. Without us, the parrots in Utah would be in a much worse position, and we should be very proud of that. I hope we keep going another 25 years, because the parrots of Utah need us. So be proud of what you have all accomplished as part of the WAES! And see you December 14th!
