President's Message:

Dear All;

As you must have already gathered, we are still not going to not going to be having a meeting for a few more months, but I have gotten my vaccinations, and the governor is going to declare the state "mask optional" on April 10th. So apparently the end is in sight. I sure hope so.

In the meantime, our rescue program continues to hum along, we have a lot of interest in our birds and many people wanting to foster, and things continue to be going extremely well for us there. I want to thank Ann Greig and Audrey Hollaar for doing such a great job in these difficult circumstances.

See you all soon, and I really mean it!

Chase Kimball, WAES President

Adoptions:

Cute Louis, a Jenday conure, has been adopted by Christina and Salomon Huerta and family. Congratulations, thank you, and may you enjoy many happy years together!
