April 10, 2021, 7:00 pm
(CANCELLED)

**Salt Lake County
Complex**

2001 S. State Street
Room N1100
(North Building)

Our meetings are free
and open to the public.
Come meet other parrot
enthusiasts.

Refreshments & Raffle
Table

Come see what our
volunteer

Flock is all about.

President's Message:

Dear All;

The tide is turning. Over half the adults in Utah have received at least one vaccine shot, the statewide mask mandate has expired and the end is in sight. I still don't know when we will have our first in-person meeting, but one assumes not long, maybe June. We are attempting to secure a reservation at a local park for May 8th for a mini-meeting and picnic, just so we can all be together. However, the county reservation system is shut down. If it opens soon we will make a reservation and hope for the best. As noted by me many times, the rescue committee continues to be busy and we are placing many birds. We do not have anywhere near as many birds as we've had recently, just about seven birds available for adoption right now, and a lot of interest in them. Two years ago we were in the 27-28 range of birds in foster care. So that is a huge accomplishment.

But the really big news is that member Amy Thomas has been working on a new and ultra-professional website for us for a spell, and it is about to be unveiled for everyone. I have looked at an early version of it, and it is beautiful and so impressive. I can hardly wait for it to be put up in place of the old one. Right now a few bugs are being worked out but that should be done in a few days. So I urge all of you to be checking "wasatchavian.com" frequently, so you can see the beautiful new website that will replace our old one any day now. And a huge thanks to AMY THOMAS for making this happen!!

See you all soon, and I mean it!

Chase Kimball, WAES President
